Resolution.

We the Members of the North Arkansas Conference in Annual session at Helena, Arkansas, hereby take this occasion to express our keen appreciation of the high plane of humanity upon which our great President has pitched our participation in the world war against Prussian Military Autocracy and to declare our steadfast purpose to give vigorous support to all measures which the government may adopt in prosecuting the war. In doing this however, we regret the necessity of pointing out to the President the inconsistency of the National Government urging upon the people to save grain and sugar while it permits the breweries to waste vast amounts of these same food stuffs. Accordingly as representatives of a great church we protest to our President against a policy which permits millions of tons of coal to be consumed by breweries when thousands of our people and many legitimate industries are suffering from lack of coal. We register our protest against the use of thousands of cars to ship coal and liquor in by breweries, while millions of people and thousands of industries are suffering because they cannot get cars to ship the necessities of human and industrial life. While we record our whole hearted approval of the order driving liquor and bad women from army camps in America we call upon our

President to give our soldiers in France the same protection against these evils.

To our great President in whom American Democracy has lodged supreme power in this crisis and who has hitherto in his official utterances and acts reflected the best Christian conscience of America, we confidently appeal to square American conduct in the matters named above with the dictates of humanity and the ethics of Christianity.

J. H. REYNOLDS,
F. M. DANIEL,
W. F. WALKER,
W. L. OLIVER,
J. M. WILLIAMS.

Introductions. Rev. William H. Irvine, Pastor of the Presbyterian Church, Helena, and Rev. P. W. Plemmons, Pastor of the Baptist Church, Helena, were introduced to the Conference.

After various announcements, the Conference adjourned for the Thanksgiving Service.

Reports of Boards and Committees.

AMERICAN BIBLE SOCIETY.

To the Bishop and Members of the North Arkansas Conference,

Your Committee on the American Bible Society is pleased to report that although there was a slight decrease in the number of Bibles distributed last year by the American Bible Society (due to the high cost of publication) there was a forty-five per cent advance in the Southwestern Agency, which includes Texas, Oklahoma, Arkansas and Louisiana.

The value of this work to home missions in this section, is beyond estimation as will be seen from the following figures: During the past year there were 153,055 copies of the Scripture distributed, published in 34 languages; fourteen colporteurs were employed, visiting 41,068 families; out of this number were found 14,000 families without a Bible; 16,540 copies have been donated to the poor.

The chief concern of the Bible Society just now is the problem of furnishing the Army and Navy with Scriptures. In this Agency, our Secretary, Rev. J. J. Morgan, has had a Bible car and a special colporteur at work visiting the camps and giving khaki-bound Testaments to the men not already supplied, while Churches, Sunday Schools, and many individuals have contributed to this end. We praise God for the result namely, that 102,855 Testaments and gospels have been given to the men.

But we have only begun to meet the need, the war Council of the Y. M. C. A. estimates that at least a million army Testaments will be required within the next six months and the Y. M. C. A. looks to the American Bible Society to furnish them. In fact, the Society has its presses at work now on this million khaki-bound Testaments, and has promised to deliver them free of all cost as needed. By this plan we will reach every man, whether on land or sea, at home or abroad.

The serious problem of the Society is to pay the cost of manufacture, which, including the grants of Scripture already made to Chaplains, is \$400,000. For this emergency war fund, the Society appeals to Pastors and churches for a special offering. We therefore, recommend that the month of January, 1918, be designated for this purpose and that our pastors put this matter be-

fore their people and earnestly urge them to make liberal offerings. In our anxiety to carry out this war program, we would not overlook the regular work of the Bible Society in home and foreign Mission fields so fundamental at this time of the world-wide confusion. There has never been so great a need of the Bible among the foreigners in America as now.

To carry out its regular work, we recommend the assessment ordered by the General Conference, namely two cents per member.

We appreciate the depository in our own state and the large patronage which it is receiving. We recommend that Rev. D. H. Colquette be re-appointed Agent of the American Bible Society for the ensuing year.

Respectfully submitted,

D. H. COLQUETTE, *Chairman.*

J. B. STEWART, *Secretary.*

BOOKS AND PERIODICALS.

To the Bishop and Members of the North Arkansas Conference,
Your Committee on Books and Periodicals, report as follows:

First. Publishing House. We have a report from the Publishing House which shows a year of prosperity, despite the high cost of material. The financial report is gratifying.

Second. Methodist Review. The Review has a circulation of 3,100. It is in great favor with our preachers and also with our laymen who read it. It is a periodical of real merit and should be read by all our preachers and many more of our laymen. We record our appreciation of the work of its Editor.

Third. Christian Advocate. The Christian Advocate, our General Organ, is a paper of which our church is not ashamed. The work of Dr. Ivey, its Editor, is greatly appreciated. Its circulation is 13,950, and this should be increased to reach a large per cent of our people. Our pastors are urged to make special effort to increase its circulation.

Fourth. Epworth Era. The Era has 24,000 subscribers and is filling an important mission to our young people. It should be in the hands of all of our young people.

Fifth. Arkansas Methodist. We have a report from the Arkansas Methodist Commission showing that its work has been faithfully and successfully done. The report shows that the assessment on the Conference for the purchase of the paper of \$2,000 a year for the years 1916 and 1917 has been paid. There remains, however, a deficit on this account, owing to the debts for

the current expenses for the two preceding years, and the accumulation of interest not provided for by this assessment. This amounts to about \$3,500. It was thought that the regular income of the paper would provide for the payment of this amount, but owing to war conditions, this has been impossible.

The circulation of the paper has been increased substantially during the year. 1817 new members were added to the list of subscribers.

The work of Dr. A. C. Millar, its Editor, is of high order. The paper compares most favorably with any conference organ in our connection.

We recommend:

First. That an assessment of \$1,500 be made upon the Conference for the ensuing year to provide for the remaining deficit to be distributed to the districts as follows:

Batesville	\$165	Helena	\$169
Booneville	158	Jonesboro	169
Conway	169	Paragould	165
Fayetteville	169	Searcy	167
Ft. Smith	169		

Second. That the month of February be set apart as Christian literature month and that our preachers preach on this subject of Christian literature and make a systematic canvass for our church periodicals. We urge that an earnest effort be made to add 3,000 new subscribers to the Methodist during this month.

Third. That F. S. H. Johnston, J. K. Farris, and J. M. Williams, be re-appointed as Commissioners.

Respectfully submitted,

JEFFERSON SHERMAN, *Chairman.*

R. E. L. BEARDEN, *Secretary.*

CHURCH EXTENSION.

To the Bishop and Members of the North Arkansas Conference,

The year just passed has been one of unusual material prosperity in the bounds of our Conference, and in this we greatly rejoice.

This has been a year of growth in the way of new churches and parsonages, but best of all is the fact that nearly all the debts on parsonages and churches have been paid in full. This fact alone will stimulate our people, and we believe result in a great harvest of souls.

We note with pleasure that nearly all of our churches and parsonages are well covered with insurance. We note also that collections for this year are much better than they were last year.

As a Board we desire to be helpful in our relations to all the Conference, and to this end a motion carried, rescinding the action of the Board at the last session, in which all grants to churches and parsonages of \$100 and over, should be administered by the General Board.

The following amounts have been received on assessments:

EDUCATION.

To the Bishop and Members of the North Arkansas Conference,
Your Board of Education begs to submit the following report:

We are gratified that notwithstanding the drain of world conditions upon the student bodies and material resources of our institutions of learning, they give forth no note of pessimism and manifest no spirit of faltering in the face of the duties and opportunities of this new day. In their planning of progress in the midst of such difficulties we affirm our keenest interest and pledge our support.

We cannot too highly recommend the work of our Southern Methodist University and we memorialize the next General Conference to levy an assessment upon the church sufficient to maintain its school of theology until such time as the endowment shall be sufficient for this purpose. And pending such action of the General Conference we recommend that our Conference continue the assessment of two cents per member for this purpose.

We have every reason to commend the work and aspirations of the two great institutions of our church in the State for the higher education of our young men and young women, Hendrix and Galloway Colleges. We recognize no priority of claims or conflict of interest between these two coordinate institutions. To

each of them in its sphere we have committed the development of our highest ideals in Christian education, the one for men, and the other for women. The cause is worthy, our duty is imperative, the church should get solidly back of the campaign for endowment and equipment of these institutions.

Hendrix College.

For Hendrix we recommend an assessment of \$3,500; for the Summer School \$700; that E. E. Mitchell be elected to succeed himself as Trustee from 1917 to 1923; that Dr. James Thomas be endorsed for Commissioner of Education for Hendrix College; and that Rev. H. F. Buhler, be Assistant Commissioner; that F. S. H. Johnston be appointed Financial Agent and that W. B. Hubbell be appointed Endowment Agent.

Galloway College.

We recommend an assessment of \$3,500; that Dr. E. H. Stevenson be re-elected to succeed himself as Trustee; that H. B. Trimble be elected to the vacancy created by the removal of C. M. Reves; that J. H. O'Bryant be elected to fill the vacancy by the removal of J. S. Seneker; that H. H. Griffin be re-elected Commissioner of Education.

Sloan-Hendrix.

We recommend an assessment of \$1,500 for Sloan-Hendrix Academy, and that the General Board be asked to appropriate \$1,000 for this school.

As our Conference does not appear to have any very well defined policy in reference to Mountain Schools, we recommend that the Chairman of the Board of Education be authorized to appoint a committee composed of Dr. Stonewall Anderson and two members of this Board with instructions to investigate the whole subject and report at our next Conference.

Recommendations.

We recommend the election of W. L. Oliver as Secretary of Education, the appointment of J. S. Seneker as student in the Columbia University, Geo. W. Pyles, student in Emory University, O. L. Cole and J. W. Crichlow students in Southern Methodist University, R. R. James, student in Hendrix College.

We recommend the appointment of F. R. Hamilton, Dean of Siloam Springs College, to which position he has been elected. We recognize in his election to this responsible duty by our Brethren of the Methodist Episcopal Church a feeling of growing fellowship which we trust will reach its culmination in the unification of the two Methodisms.

It being the desire of your Board upon the recommendations of the presiding elders, to pay the tuition of undergraduates taking the correspondence course, we recommend sufficient amount be taken from the ministerial loan fund for this purpose.

We recommend an assessment of \$2,622 for the General Board of Education.

EPWORTH LEAGUE BOARD.

To the Bishop and Members of the North Arkansas Conference,

From the reports we gather there has been substantial progress made in the work of the Epworth League this year. The organization is more efficient than it has ever been before in its history.

As an indication of the work of the Epworth League we cite the following facts:

First. The General Secretary of the League in the Methodist Episcopal Church affirms that scarcely a young man enters their ministry but who has not been a central figure in some Chapter.

Second. A Secretary of the Methodist Episcopal Church sat down at a breakfast in India with one hundred missionaries who had all come through the League.

Third. Every five years the Epworth League, with only 140,000 members, contributes to the treasury of our church the sum of half a million dollars.

We rejoice with the Leaguers in the strong organization and splendid results accomplished in the work throughout the Conference. They have been very enthusiastic in raising the African Special.

We urge every League to observe Anniversary Day, and turn the collections taken over to the Treasurer of the North Arkansas Epworth League Conference. We also trust that all the pastors and Leaguers will co-operate heartily with the President, Rev. A. W. Martin, in the plans for work during the coming year.

We recommend that Howard Johnston be added to the Board to take the place of A. D. Swift. Also that F. A. Lark take the place of H. C. Hoy.

In order to conserve the young life of our church, and to meet the challenge of the present world crisis to the church, the General Epworth League Board has planned a campaign for new chapters and greater efficiency under the name of "The Big Drive." Its slogan is "A League Chapter in every charge and every chapter meeting the standard of efficiency." All over the church preachers in Annual Conferences are enthusiastically supporting the campaign. Young people must be called on to save the church as they are being called on to save the world in its war crisis.

We endorse heartily the League campaign and pledge to it

our encouragement and our assistance as members of this Conference.

Respectfully submitted,

J. J. GALLOWAY, *President*,

F. E. DODSON, *Secretary*.

COMMITTEE ON LAY ACTIVITIES.

To the Bishop and Members of the North Arkansas Conference,

Your Committee on Lay Activities beg leave to report, that during the year the laymen have fostered the missionary spirit wherever opportunity offered and have been working in harmony with pastors.

We insist on the charge Lay Leader putting in operation immediately after Conference an Every-member Canvass giving all the Church members, and their children, the privilege of carrying their share of the church's expenses.

We have assumed eleven hundred and fifty dollars of the war relief fund for our Missionaries and hope to have it in hand by the first of January.

We urge upon our Pastors to use our laymen whenever and wherever they can for the purpose of developing them, and adding to our Lord's glory by the services rendered.

Respectfully submitted,

F. M. DANIEL, *Conference Lay Leader.*

C. H. DAVIS, *Secretary.*

METHODIST HOSPITAL.

To the Bishop and Members of the North Arkansas Conference,

We have considered the report of the Methodist Hospital Commissioners for the Conference year and note with pleasure the substantial progress that has been made in the way of subscription and in funds and plans for the erection of suitable buildings. We heartily commend the city of Memphis and territory immediately surrounding for the large subscription made in January of this year amounting to \$175,000. We also note with pleasure the splendid spirit manifested during the campaign by the people of all creeds and classes in this undertaking. The \$175,000 together with subscriptions and cash of \$25,000 previously made to the Hospital fund, makes a total of \$200,000, that Memphis and immediately surrounding territory has given. We have every reason to believe that the Hospital is an assured fact and we call upon the members of the North Arkansas Conference and friends to lend all the moral support and financial aid possible toward making this enterprise commensurate, when it has been completed, with the needs of sick and suffering humanity.

We further recommend that the preachers constituting the North Arkansas Conference present this question from time to time

to their respective charges, and that they open their pulpits to the representatives of said Hospital whenever it is required and they deem it proper. We also commend Thos. B. King, the newly elected Financial Agent of the Hospital, to all the members of the Conference and hereby pledge him our prayers and support. We further recommend that J. K. Farris, J. R. Nelson, T. J. Boston, W. E. Jelks, W. B. Mann, Mrs. Ada L. Roussan, be elected Commissioners for the Methodist Hospital for the ensuing year.

Respectfully submitted,

J. K. FARRIS, *Chairman*,

J. R. NELSON, *Secretary*.

We suggest that this amount be apportioned to the several Districts and that it be raised within the next ninety days.

Report No. 2.

To the Bishop and Members of the North Arkansas Conference,

Your Board of Missions can report progress along all lines of our missionary enterprises. Though our Missionaries in China are hard pressed because of the depreciation of currency and war prices, they are pressing the battle. The home Church is rallying to their support with a special war relief fund.

Reports from our Mission Fields indicate that under the disturbed world conditions, our missionary opportunity is greater than ever before. We regard this as a challenge to the church to put on all her strength. As Methodists, we feel that we must not fail in such a crisis, when we know that the gospel of Christ is the only cure for the ills of humanity.

The General Secretary reports that the year 1917 has been the best of the three years of the war. The increase in early collections for the past year saved enough in interest to support a married Missionary. There has been a fine increase in specials for both home and foreign fields.

The Every Member Canvass is the pre-eminent method in developing the Missionary strength of the Church, and we hope all our pastors will utilize it.

We are reminded that in 1919, American Methodism comes to the end of its first century of organized missionary effort. Our Church, in cooperation with other Methodist bodies, is planning a worthy celebration of this event. We recommend that our Conference enter into whatever plans are made by our Mission Board, that we may help to make the Centenary year a proper introduction to the far greater Century that lies before us.

We recommend the re-appointment of Rev. H. E. Wheeler as Conference Missionary Secretary.

We present the following committee on Conference Evangelism: A. F. Skinner, Elisha Dyer, B. C. Few, W. B. Hays, W. T. Martin, F. G. Villines, A. E. Holloway, W. T. Wilkinson, and Norris Greer.

We recommend the appointment of John B. Andrews, General Evangelist, J. L. Bryant, E. T. Wayland, and W. H. Neal, Conference Evangelists, and J. D. Kelly District Evangelist.

We make the same assessments as last year for Conference Missions, \$9,384.00. Our assessments by the General Board are: for Home Missions \$4,416.00, for Foreign Missions, \$13,800.00.

The apportionments of these amounts, to the District follows:

ORPHANAGE BOARD.

To the Bishop and Members of the North Arkansas Conference,
We gather from the report of the Trustees the following facts,
viz.,

That the year just closed has been one of the best in the history of the Orphanage; that 29 children were received, 28 placed in homes, and one died leaving in the Home 35; that since the or-

ganization of the Home 309 children have been placed; that Brother Thornburg received during the year \$982.00 special contributions not included in the assessments, which he expended in improvements, making a total of \$38,300.00 he has raised and invested in the grounds, buildings and furniture; that the expenses of the institution have exceeded the income which the Conference has already provided.

We recommend that our pastors and people look out for destitute children both of whose parents are dead, that the Orphanage be remembered in our Christmas offerings, and that the Missionary Societies and Epworth Leagues continue to send boxes of fruit, clothing, etc., needed in the home.

We recommend an assessment of \$4,000 for the Orphanage apportioned as follows:

Batesville District	\$425	Fort Smith District	445
Searcy District	445	Jonesboro District	450
Booneville District	450	Helena District	450
Conway District	445	Paragould District	445
Fayetteville District	445		

Respectfully submitted,

J. B. STEVENSON, *Chairman.*

EDWARD FORREST, *Secretary.*

ORPHANAGE TRUSTEES.

To the Bishop and Members of the North Arkansas Conference,

The Board of Trustees of the Arkansas Methodist Orphanage respectfully report that the past year in the Orphanage was one which calls for gratitude and thanksgiving.

We had one death but it was not unexpected as the child came to the Home sick and never recovered. We had other cases of serious illness and operations but the children recovered.

We had at the close of last year, September 30, 1916, thirty-five children in the Home. We received twenty-six during the year, placed twenty-five, and one died, leaving thirty-five children now in the Home. This has been one of our best year's work in receiving and placing children. Since the organization of the Home we have placed a total of three hundred and nine children.

Brother Thornburgh received during the year as special collections, not included in the improvements and furniture. This makes \$38,300.00 which he has collected and expended on grounds, buildings, and furnishings.

The expenses of the institution the past year were \$5,266.50,

besides \$600 for borrowed money for last year. The receipts from the Conference were only \$3,629.71, showing a shortage of \$1,636.79.

At the Conference of November, 1915, five thousand dollars was assessed to both Conferences but only \$3,630 was paid, which was a shortage of more than one-fourth.

At the Conferences of 1916 six thousand dollars was assessed both Conferences. If the collections are short one-fourth, \$4,500 will be received while the regular expenses were \$5,266, which will leave a shortage of \$766.00, besides the \$800.00 borrowed and \$800.00 advanced by the preachers on the assessments for the coming year, which will make a shortage of \$2,366.

We see no possible way to avoid asking that each Conference assume one thousand dollars more for the running expenses of the Orphanage, and our Board voted unanimously to make that request of the Conferences, and laid it upon Brother Thornburgh, the President, to present the matter to each Conference.

Respectfully submitted,

JAMES THOMAS, *Secretary*.

SABBATH OBSERVANCE.

To the Bishop and Members of the North Arkansas Conference,
Your Committee on Sabbath Observance begs leave to report:

At this time when all reform movements in our nation are making unprecedented strides forward and upward, we are sorry to record the fact that our Sabbath law is being broken and trampled upon as it has not been done before, and is being made, even by some Christian people a day of pleasure and recreation.

The Sabbath is one of the fundamentals upon which rests our Christian civilization, when our people cease to keep it as a holy day they keep it as a holiday, and do not attend church and the ministry of God's word, which is alone the power of God unto salvation.

We recommend, therefore, that our laymen, especially officials in our church, set the example of strict Sabbath observance themselves and encourage a proper regard for the Sabbath among others.

We further recommend that our pastors discuss with their Official Boards the problem of securing respect for our Sabbath laws, that we preach against the desecration of God's day. Other institutions may fail but the Christian Sabbath abides, for it is instituted of God.

Respectfully submitted,

F. A. LARK, *President.*

WILL PYLE, *Secretary.*

SPIRITUAL STATE OF THE CHURCH.

To the Bishop and Members of the North Arkansas Conference,
Your committee rejoices that in spite of the unprecedented world conditions the evangelistic note is still the predominant one in the pulpits of our Conference.

During the year that has passed over eight thousand conversions have been reported and we are pleased to note that a greater percentage of these united with the church than was the case a year ago. There was never a time, in our judgment, when a higher regard for spiritual values was more needed. A sorrowing world and a suffering Savior need to be brought closer together. We are profoundly thankful that in this hour of our country's need we have a President who has called the nation to prayer. Let us respond, and with united voice petition the throne of grace that victory may crown our arms, and that out of this terrible strife there may come the lasting peace predicted by the prophet,

"when nation shall not lift up sword against nation, neither shall they learn war any more."—Isaiah 2:4.

While so many thousands of men are making sacrifices for their country, let us continue to point them to the sacrifice offered on Calvary, and hope that they will find that it alone has power to sustain us in every crisis of human need.

Respectfully submitted,
M. B. UMSTED, *Chairman*.
W. T. WILKINSON, *Secretary*.

SUNDAY SCHOOL BOARD.

To the Bishop and Members of the North Arkansas Conference,

The reports for this year show the following:

Number of Sunday Schools	538
Officers and Teachers	4,561
Wesley Bible Classes	160
Sunday School Pupils Joining Church	1,988
Enrolled in all Departments	48,520
Amount Raised for Missions on Specials	\$ 1,723
Amount Raised on Assessment	\$ 4,246
Children's Day Fund	\$ 890
Supplies	\$21,352
Other Objects	\$ 6,512
Total Amount Raised	\$34,984

Our Sunday Schools in all Departments continue to show a healthy growth and we desire to commend to the Conference a constant interest in their welfare.

We recommend,

1. That an assessment of one per cent of the preacher's salary be levied on each charge failing to observe Children's Day Offering. This is necessary because without some dependable income, it is impossible for the Board to engage in any constructive work or to carry out the plans outlined for it by the General Board, and the Sunday School interests within our Conference.

2. That College Day be observed in conformity with the plan of the General Board.

3. That a Special Offering be taken during the Christmas Holidays for Armenian and Syrian Relief as requested by the General Sunday School Board. We desire especially to urge upon

our preachers and Sunday School Superintendents the taking of this collection, for the opportunity it affords for giving our young people such information as they should have concerning our part in the world war, and for teaching them genuine patriotism and charity.

We give our hearty endorsement to the Sunday School Institute projected by Dr. J. H. Reynolds, President of Hendrix College, in connection with the Summer School for Ministers during 1918, and we recommend an active cooperation on the part of the members of the Conference to secure a large attendance of preachers and Sunday School workers. We desire to voice our appreciation of the work done by Hendrix College and the General Sunday School Board in providing District Sunday School Institutes without cost to the Conference.

We recommend to our Sunday Schools and Adult Classes the advisability of providing for a scholarship for a ministerial student, the capital to be loaned without interest, and to constitute a perpetual loan fund for the education of ministers in the hands of the Trustees of Hendrix College.

5. We approve of the plan formulated by the Hendrix Campaign to ask the Sunday Schools of Arkansas to endow a chair of Religious Education in Hendrix College, and we urge upon the Sunday Schools of the North Arkansas Conference a liberal response to the call when it is made.

6. We feel that renewed emphasis should be placed on the observance of Missionary Sunday and Children's Day. At this crisis in the world and in the church these days should be kept in mind, and dilligently cultivated to the end that the enterprises of our church shall not suffer. We feel that every large school should have at least one Missionary Special, and that the smaller schools in groups should undertake what they might not be able to do alone.

7. We heartily endorse the following resolution adopted at Junaluska last summer at the conference of the Sunday School Field Workers and Conference Chairmen,

"Resolved, That it is the sense of this body that our Annual Conferences should ask the Sunday Schools to observe only such Special Days as may be recommended by the General Sunday School Board, or the Annual Conference Sunday School Board, or as may be provided in the Discipline."

8. That we place at the disposal of our government our Sunday Schools as a means of disseminating the ideas of food

conservation, general economy and thrift, and the principle of patriotism.

We report the election of the following conference departmental superintendents:

Organizations, Sidney Pickens, Batesville, Arkansas.

Elementary, Miss Dove Erwin, Newport, Arkansas.

Wesley Bible Class, W. A. Lindsey.

Teacher Training, W. J. LeRoy.

Respectfully submitted,

W. T. MARTIN, *Chairman*,

A. L. HUTCHINS, *Secretary*.

COMMITTEE ON SUPERANNUATE HOMES.

To the Bishop and Members of the North Arkansas Conference,

Your Committee on Superannuate Homes has held one meeting during the interim of Conference sessions, and has also carefully studied the problem committed to it, corresponding widely with others who have labored in the same fields.

The result of our labors has been to lead us to the conclusion that we ought to begin, as soon as practicable, this great work, and that in order to successfully prosecute the same we need to create a holding and managing corporation, with legal rights and powers usually belonging to such corporations.

We therefore, ask a committee be given authority to procure a charter from the State of Arkansas.

It had been our purpose to begin actual work at once. But it is now our conviction that we ought simply to erect our machinery, do what comes somewhat automatically to our hands, i. e., receive any voluntary donations, etc., and await a time when conditions are more auspicious for an active campaign.

In all of which we ask the Conference to concur.

JAS. A. ANDERSON, *President*,

H. E. WHEELER, *Secretary*.

COMMITTEE ON TEMPERANCE.

To the Bishop and Members of the North Arkansas Conference,

There was a time when national citizenship was the order of the day, but that time has passed, for now we must be world citizens. It is but natural, then, that we should be constantly re-

mind of the progress the world is making in the matter of world-wide prohibition.

In Russia by an imperial order the national drink, Vodka has been banished from the whole country, and we believe that that country has been able to do what it has done in this world because of this fact. If this curse is again put in the reach of the people, their doom is sealed. In France, Absinthe has been outlawed, and in England some temperance legislation as yet inadequate, has been passed.

The drink evil is a grave peril to despairing homes both during and after the war. In America, sixty per cent of our people live in prohibition territory. Twenty-seven states are now in the dry column and one may travel from ocean to ocean on dry territory. Recently our capital city registered a majority vote for prohibition, and other large cities have fallen into line.

In our great state of Arkansas the last legislature passed the so called "Bone Dry" law, and we are glad to note that it is being enforced satisfactorily. Our state was awarded the army cantonment largely because of this fact.

We recommend,

1. That every pressure be brought to bear on England and France, through our President, to secure more stringent prohibition for the welfare of all soldiers and civilians.

2. That we urge upon the Congress, soon to assemble at Washington, a constitutional amendment to be submitted to the States for ratification.

3. That we would urge our Brethern in the ministry, and remind the Laymen as well, that eternal vigilance is still the price of liberty.

Respectfully submitted,

W. J. FAUST, *Chairman,*

J. T. WILCOXON, *Secretary.*

WALLER EDGAR BOGGS.

Dr. Waller Edgar Boggs was born in Virginia and held much of the spirit and bearing of a true Southerner. He was among the most satisfactory friends I have ever known. I touched his life as it was ripening for the harvest and found it richly stored with the grace and the knowledge of God. In the very best sense, he was both a scholar and a Christian. Dr. Boggs was reared in the Protestant Episcopal Church, and educated for the profession of law, but God ordered it otherwise. In a diary kept in his earlier life is found the following entry which shows both the strength of his conviction and his loyalty to his conceptions of duty. "At the morning service today, July 17th, 1881, after due consideration, I was received by Rev. J. T. Whitley, into the Methodist Church, South. Some months since, I became convinced that I was not a child of God. Though I had been baptized and confirmed in the Protestant Episcopal Church, I had never known God in the Spirit, nor Christ as a redeeming Savior. In a short time after this, having devoted myself to prayer and the study of God's word, my heart was impressed with the all-sufficiency of Christ, and of my need of Him, and I determined to give my life to him in service."

Two years later there appeared this additional entry in his diary on the subject, "I have never regretted the step I took on the 17th day of July, 1881. I shall ever regard as the most important event of my life the spiritual work which took place in my heart on March 10th, 1881. The pretentious confidence I had long since placed in moral rectitude independent of God's grace, was there forever severed. I look back with wonder upon my past life and can but praise God's holy name that I was cut off in my course and not permitted to enter the holy ministry without a more important preparation than that with which I entered the seminary at Alexandria, Virginia. Salvation cannot be found in Reformation."

Through thirty-six years of service in the ministry Brother Boggs never lost the inspiration of these earlier convictions and experiences. He said to the writer a few weeks before his death, "I would rather go from my pulpit into the presence of our Heavenly Father, than to rule the universe in any other realm of life."

He joined the West Virginia Conference in 1881, was ordained Deacon by Bishop Granberry, October 14th, 1883, and was ordained

Elder by Bishop Keener October 14th, 1885. He served the church in Virginia, Kentucky, Louisiana, Texas, and Arkansas. He brought to bear upon whatever task was assigned him the concentrated forces of a strong, vigorous body, mind and soul. He wrought well and was ready.

When the end came he was found doing the thing he had been sent to do. He was stricken while preaching in a union service in his pastorate, Fayetteville, Arkansas, August 19, 1917, and passed to his reward on August 23. We miss him but we shall see him again.

G. G. DAVIDSON.

ALONZO GRIFFIN.

Alonzo C. Griffin was born at old Bolivar, Poinsett County, Arkansas, November 8th, 1845, and was reared on Crowley's Ridge, among a fine class of people of the old Southern type.

His early opportunities were very meager, his education being acquired in such country schools as were common at that time. His father died January 1st, 1861, and left him with the care of the family, he being the oldest boy. In August 1862, Brother Griffin volunteered for the Confederate Army and remained in the service until the close of the war. No braver man than he ever enlisted. After the war he came home and went to work on the farm with his mother who had cared for the younger children during the war. In the summer of 1866 he professed saving faith in Christ at Farm Hill Church in Poinsett County not far from where he was born. He joined the church at Harrisburg the same year and at once commenced to do active Christian work. From that time he never wavered in his faith nor faltered in his work. He loved God and the Church. He was married to Miss E. C. Rooks at Harrisburg, April 7th, 1869. Sister Griffin and all of their children preceded him to the better world. Being left alone he was glad to go when his time came. He often said, "I would give the world to see heaven. I am anxious to go home." He was licensed to preach by the Harrisburg Quarterly Conference August 21st, 1869. In 1870 he attended the first session of the White River Conference at Old Mount Zion Church in Cross County near where Vanndale now is. He was ordained Deacon by Bishop Pierce at Forrest City, November 16th, 1873.

That year his itinerant work began as a supply on the

Harrisburg charge. He was admitted on trial at Helena in the Fall of 1875 and assigned to Greensboro Circuit, where he remained four years. From then until 1907 he was in the active work, serving fourteen different charges, often remaining a full quadrennium. In 1908 he took the superannuate relation but afterwards served two years at East Side Paragould, and was again superannuated. He died October 11th, 1917, at the home of his brother, J. M. Griffin in Harrisburg.

During Bro. Griffin's ministry he received at least a thousand members into the church, and married five hundred and thirty couples.

He was a man of positive convictions, but withal a gentle and loving person. He was thoroughly a Methodist, but he had charity for all Churches. No man who has labored on Crowley's Ridge has left a more wholesome Christian influence than has Brother Griffin. His work is done and well done. His Father has called his suffering child home. We buried him October 12th, 1917, at Old Bolivar, beside his wife and children, near where he was born.
